<b>Do you require SASRIA cover?</b>		
<b>SASRIA (South African Special Risks Insurance Association)</b> is the state-owned underwriter established to		
provide business with an insurance safety net for political and non-political riot, labour unrest, terrorism and		
related risk. Claims arising from these occurrences are excluded in terms of our policy wording and should you		
not purchase this cover additionally, you will not have a valid claim in the circumstances described above.		

I hereby acknowledge that I have read and understood the policy wording. Wording is also available on [www.polygongroup.co.za](http://www.polygongroup.co.za) or send an email to [info@polygongroup.co.za](mailto:info@polygongroup.co.za).

I understand that this policy is not in place until confirmation is received from the insurer.

I am aware of the fact that insurance premiums are payable in advance by the 7<sup>th</sup> of each and every month and that failure to do so will result in cover being suspended for the period in which premiums are unpaid.

Making a false statement or withholding any material fact may give the Insurer the right to repudiate any claim made under the policy or may result in the policy being declared null and void from inception, a material fact is any fact which influences the acceptance of the risk or conditions and premiums on which it is accepted. This proposal must therefore be fully/accurately completed and signed by the proposer.
